The **Art Gallery of Swift Current** would like to invite your students to participate in this year's **High School Art Show** at our sister location **The West Wing Gallery!**

Art Gallery of Swift Current is calling for artworks made by visual art students from grades 9-12 for our annual High School Art Show!

If you are interested in having your students take part in this exhibition, please send an email to m.flaterud@swiftcurrent.ca

Please gather recently produced artworks from your grade 9-12 students that you feel are good examples of strong artworks. For schools within city limits, we can arrange for gallery staff to pick-up student artwork.

The deadline to submit Artwork is **April 20, 2023.**

If you have any questions, please give us a call at 306-778-2736.

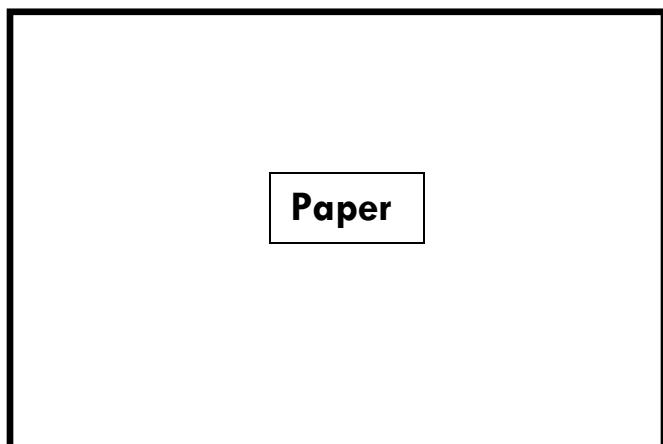

General Guidelines:

- Artwork submitted should be from within the last school year (2022-2023).
- All artwork should be ready to display.
- Paper artwork should be placed in a frame or mounted on a sheet of strong white paper such as poster board, Bristol board, lynx cover, etc.

Art Gallery of Swift Current is more than happy to supply lynx cover paper for the purposes of mounting. Please contact us well in advance to arrange this.

Artwork Mounting Instructions:

If you are mounting your artwork on strong paper, it should be centered as much as possible. Use glue, tape loops, or double-sided tape to adhere the artwork to the paper.

Example of mounted artwork:

The following page contains a form template for required label information. Art Gallery staff will use the information provided to produce artwork labels for the exhibition.

One of these forms **MUST** be **COMPLETELY filled out and attached to the back of EACH piece of student artwork**. If label information is missing or incomplete we will **not** be able to install the artwork, so please ensure that the forms are completed and securely affixed to the corresponding artwork. Feel free to print and photocopy the form template below.
