

# CALLING ALL MAKERS!

- Are you brand new to working with clay but you'd love to get muddy?
- Are you a potter with a stack of seconds gathering dust in the corner of your studio?
- Do you enjoy getting creative in the company of others?

If you answered **YES** to any of these questions, please lend a hand in helping AGSC prepare for our inaugural **Chili Bowl FUNdraiser!**

BUT WAIT...WHAT'S A CHILI BOWL FUNDRAISER?

It's an event where you get to choose a handmade ceramic bowl and we'll fill it with delicious chili from our community partner. After you enjoy your tasty lunch, you get to take the bowl home with you for keeps!

All proceeds will support art programming at the Art Gallery of Swift Current, with a portion of funds raised used to stock the Community Fridge.
