The **Art Gallery of Swift Current** would like to invite your students to participate in this year's **High School Art Show** at **The West Wing Gallery!**

We are calling for artworks made by visual art students from grades 9-12.

**If you are interested in having your students take part in this exhibition, please send an email to [m.flaterud@swiftcurrent.ca](mailto:m.flaterud@swiftcurrent.ca) or text 306-750-6390.**

Please gather recently produced artworks from your grade 9-12 students that you feel are good examples of strong artworks. For schools within city limits, we can arrange for gallery staff to pick-up student artwork.

The deadline to submit artwork is **April 19, 2024**. No artwork will be accepted after this date.

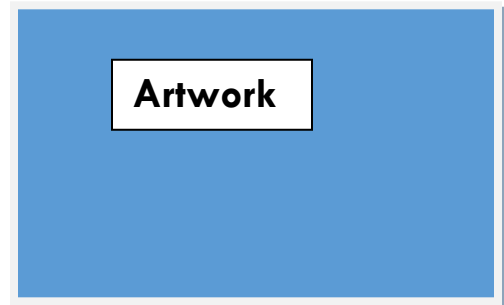

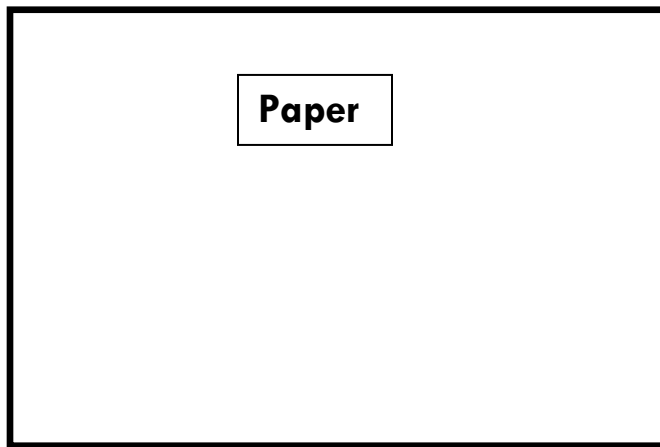

If you have any questions, please give us a call at 306-778-2736.

## General Guidelines:

- Artwork submitted should be from within the last school year (2023-2024).
- All artwork should be ready to display. Works on paper **must** be in a frame or mounted on a sheet of strong white paper such as poster board, bristol board, lynx cover, etc. **Art Gallery of Swift Current is more than happy to supply free lynx cover paper for the purposes of mounting. Please contact us well in advance to arrange for paper.**
- No more than 3 artworks from a single student.

## Artwork Mounting Instructions:

If you are mounting your artwork on strong paper, it should be centered as much as possible. Use glue, packing tape loops, or double-sided tape to adhere the artwork to the paper. Do NOT use scotch tape; it isn't strong enough to hold the artwork for the duration of the exhibition.

Example of mounted artwork:

The following page contains a form template for required label information. AGSC staff will use the information provided to produce artwork labels for the exhibition.

One of these forms **MUST** be **COMPLETELY filled out and securely attached to the back of EACH piece of student artwork**. If label information is missing or incomplete, we will **not** be able to install the artwork, so please ensure that the forms are completed and securely affixed to the corresponding artwork. Feel free to print and photocopy the form template below.
